Reflections from Fr. Martin ~ Easter Sunday ~ March 31st, 2024

Today we celebrate the greatest reason for being a Christian: Jesus' triumph over death in His Resurrection. When we awoke this morning, we found ourselves blessed with another day. It is Easter Sunday. As that thought crossed our minds, did we find ourselves saying "so what" or "alleluia"? For many, today is truly a day of alleluia. For others, it is just another day of "so what." Faith makes a huge difference. It not only makes a difference in how we understand today and the significance of what we celebrate, it also makes a huge difference in terms of how we understand ourselves.

Succeed, live well, be productive, find your niche, follow your dreams, make money, protect your social status, be politically correct, and keep your preferences to yourself are pretty good examples of the messages our secular life wants us to hear. In and of themselves, they don't sound all that harmful. But when really examined, they are. The life of resurrection embodied in the Gospel tells us a much different story.

Life keeps us busy. We are always connected, distracted, occupied, and working. For many of us, an agenda awaits us before we even start our day, and unfinished stuff is brought with us when we retire at night. "Make the best of life" and "find your own road to happiness" are messages we all too easily believe. The "so what" response to the new life of resurrection is often the result of believing that life is only what I make it. What God has to say isn't important to me securing my next raise.

Sadly, we live as if the grave is the end. While we may give the wonder of heaven a blink now and then, its glory really doesn't impress us or matter all that much. It's all about the here and now and what I need to do today to get where I want to be tomorrow. We tend to put off considering the one significant "tomorrow" that will come the millisecond after we take our last breath. When that happens, will we want to be thinking "so what?" or "alleluia"?

There is only one Jesus, one mission, and one resurrection. There is also only one of us. Have you ever pondered what one solitary, humble human life can do? Faith, not our world, tells us how special we are. We are not robots. We are not replaceable. We have one shot. There are no do-overs. Love is at our core and unites us together as one with the God of love who so desperately wants us to be with Him forever. This may not match our secular agenda, but it ought to make our true inner agenda leap for joy. There doesn't need to be an end. I can live forever. Alleluia!

~ Father Marty

NOTICE: Many have inquired about the meaning of Holy Redeemer's art. A detailed explanation is available on our website and this weeks email blast. Those who wish for a free hard copy, you can find it on our website or may request one in the front office

JUST A LITTLE
Reminder

Although Fr. Martin could only appreciate everyone's presence for liturgies, we must all remember that we are visiting God Himself. Therefore, men should always wear at least a collared shirt as well as slacks, and women should always wear either dresses or appropriate slacks and blouses.

This is not so-much because of modesty (important as that is), but because of respect. The consensus of Biblical scholars agree that the reason Saint Peter put on his outer garments in John 21:7 was to show respect, as he knew he was approaching God. Thank you for your consideration.

Neither Fr. Martin nor any other priest will ever solicit funds via phone text or email. These are scams.

For those requiring low-gluten hosts for weekend Mass, please approach the main priest/celebrant at Communion time & say "gluten free".

If you wish to set an appointment with Fr. Martin, please request so through the receptionist/operator. Please Do not dial-into Fr. Martin's voicemail as prompted by the phone system.

Out of an abundance of caution for security reasons we ask everyone to enter the church building through the **main center doors**. Thank you.

Out of consideration to our fellow parishioners, and respect for those with mobility disabilities, please only park there if you have a physical need to do so. Thank you.

Please Observe the Handicap Parking Signs

REFURBISHING OUR CHURCH . . .

- Replacing the Church's 30+ year old sound system (there are system-wide malfunctions at least monthly and many parts no longer function).
- Replacing the main sanctuary tabernacle (it is not conducive with the rest of our elegant sanctuary, and has become quite dirty over 30+ years).
- Install elegant tempered glass floor-to-ceiling (ADA compliant) doors between vestibule and nave so those praying before and after liturgies are no longer distracted by conversations of people entering and exiting church building.
- Affix video monitors to sanctuary walls so congregation can read/sing along in liturgy.
- Replace ragged, unsanitary 30+ year old nave carpeting.

. . . AND REFURBISHING OUR PARISH HALL!

Our 40-year-old Parish Hall will be getting some seriously-needed attention. We aspire to transform our parish hall into a vibrant, versatile space that can accommodate various social events, fostering a sense of community at enjoyable and memorable functions.

Also, a new covered walkway is planned to allow safe, sheltered drop-off/pick-up for all Masses and parish events.
